

# PrachtNova

Your full-service provider to build or renovate your dream home

## The Benefit: taking full care - from concept to completion

- We focus on your interests when making choices
- Space planning & layout (construction drawings & specifications) are tailor-made beforehand and ready for use
- Preselection of reliable construction team:
  - contractors
  - architects
  - construction site supervisors
  - interior designers
  - electricians and engineers
  - residential painters
  - garden and landscape architects

*The upfront 'planning work' and 'mutual working ethic' of the construction team ensures excellence and efficiency.*

- It is in the interest of the construction team to deliver superior value and results
- We provide multiple quotations and ensure the best price possible
- Overall project management is in hands of PrachtNova - before and during construction works
